My Savings Goal Tracker

Pick one thing you really want, color a coin every time you save, and watch your goal get closer.

My goal

My name: _____

I am saving for: _____

It costs: $ _____

I will save $ _____ every week

I hope to reach my goal by: _____

What it looks like

Draw it, or stick a picture of it here

Color a coin each time you save

Each coin = $ _____ (goal ÷ 50)

For grown-ups: some families add a small match to make saving feel worth it. The CFPB suggests, for example, 25 cents for every dollar a child saves (consumerfinance.gov).

Ask each week: "How much closer did this week get you? Do you still want it as much as when you started?"
